### Chapter 1

The warm glow of the sun made every dew-covered blade of grass glisten. "The forest is really beautiful today," said Emerald. Sapphire then started panting hard, "The foal is coming!" she managed to say. Little Chocolate said, "were, were is the foal!" Emerald strained with effort, this is going to be a tough one for Sapphire.

Every pony was gathered around the foaling dam, Emerald had to push them back saying "get back she needs space!" with that the whole heard got back. Finally, the little foal got free, it's a filly! "Emerald said with delight. Sapphire said, "I will name her Saphira."

Then Emerald got up and said "ok once Sapphire recovers we will move again, agreed." She said "agreed," said the horse heard.

Chocolate said, "can I play with her?" His mother Rosabelle said "well certainly not! She was just born you know." "But" "No buts go to your nest with the other foals right now!"

"Ok," Chocolate said sadly, and off to sleep he went.

Emerald said to Sapphire "you should get some sleep you're going to need it." I will and she slept at once.

As the dawn light filtered through the trees, and the birds began to stir. The horse heard all started to wake up except little Saphira. "If you want I can wake her," Amethyst said. "No thank you Amethyst, it is her first day she is a little foal." It promised to be another warm day thought Emerald. Soon the heard got busily to work.

Sapphire soon got to work after convincing the little filly Amethyst was not going to eat her.

All of the sudden Saphira start laughing at Chocolate who had his tail in the air while trying to

pick some grass. She laughed so hard she nearly cried. Then she stopped and started peeing, then fell asleep.

Chocolate then sat up saying "what Saphira was crying?" He said "soon the sun began to set and the heard settled down" how... she was even sad to see me go!" She laughed.
